NEW LED SPOTLIGHTS

Up to 70% power savings
compared to traditional halogen fittings

Simple angle adjustment
of LED heads vertically & horizontally

Long life of 40,000 hrs
with high efficiency of 86%

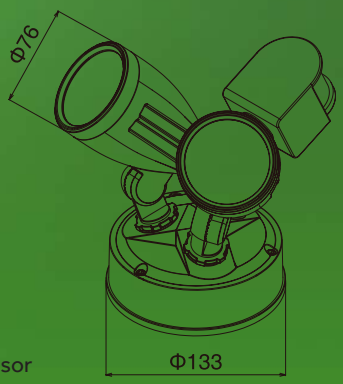
MELEC
SUPERIOR LIGHTING

LED SPOTLIGHTS MODELS

26W double-head LED spotlight with sensor

ML-SPOTDSN-BL Black finish | **ML-SPOTDSN-WH** White finish

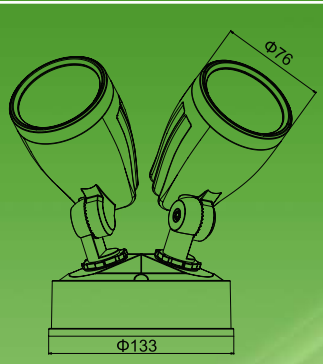
Total power consumed: 26W
Lumen output: 2240lm
Colour temperature: 5700K
IP rating: IP54
Dimmable: No
Beam angle: 90°
Gimble angle: H 350°, V 145°
Gimble angle sensor: H 360°, V 180°
Detection beam angle: 180°
Detection range: up to 10 metres
Duration time range: 5 sec to 6 min
Input voltage: AC 85-265V, 50-60Hz
Average life: 40,000 hrs
Operating temperature: -20°C to +45°C
Construction: aluminium heads, PC body & sensor
Warranty: 2 years
Size: Lamp Ø76mm | Base Ø133mm
Kit includes: LED spotlight, wall mounting kit, user guide



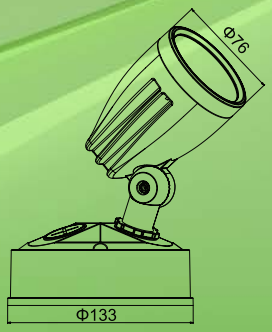
26W double-head LED spotlight

ML-SPOTD-BL Black finish | **ML-SPOTD-WH** White finish

Total power consumed: 26W
Lumen output: 2240lm
Colour temperature: 5700K
IP rating: IP65
Dimmable: No
Beam angle: 90°
Gimble angle: H 350°, V 145°
Input voltage: AC 85-265V, 50-60Hz
Average life: 40,000 hrs
Operating temperature: -20°C to +45°C
Construction: aluminium heads, PC body
Warranty: 2 years
Size: Lamp Ø76mm | Base Ø133mm
Kit includes: LED spotlight, wall mounting kit, user guide



13W single-head LED spotlight

ML-SPOTS-BL Black finish | **ML-SPOTS-WH** White finish


Total power consumed: 13W
Lumen output: 1120lm
Colour temperature: 5700K
IP rating: IP65
Dimmable: No
Beam angle: 90°
Gimble angle: H 350°, V 145°
Input voltage: AC 85-265V, 50-60Hz
Average life: 40,000 hrs
Operating temperature: -20°C to +45°C
Construction: aluminium head, PC body
Warranty: 2 years
Size: Lamp Ø76mm | Base Ø133mm
Kit includes: LED spotlight, wall mounting kit, user guide
