

S40 Multi

ML-S40-MULTI **40W LED Shoplight**

Technical information

Total power consumed: **40W***
 Lumen output W|NW|WW: **3900lm | 3920lm | 3840lm**
 Colour temperature W|NW|WW: **6000K | 4000K | 3000K**
 CRI: **80+**
 Efficacy: Up to **98lm/W**
 IP rating: **IP20**
 Beam angle: **120 degrees**
 Gimble angle: **60 degrees**
 Dimmable: **No**
 Power supply: **950mA constant current, 36VDC**
 Average life: **40,000 hrs****
 Warranty: **3 years / 5 years for PLI** (lodge online)
 Face **245 x 160mm** | Height **90mm** | Cut-out **225 x 130mm**
 Weight: **1.9kg**
 Kit includes: **1 x LED shop light, driver with flex & plug**
 Construction: **Aluminium + tempered glass**

*Total power consumed including driver
 **Life span is calculated on expected average life of LED chips

S60 Multi

ML-S60-MULTI **60W LED Shoplight**

Technical information

Total power consumed: **60W***
 Lumen output W|NW|WW: **5950lm | 6020lm | 5870lm**
 Colour temperature W|NW|WW: **6000K | 4000K | 3000K**
 CRI: **80+**
 Efficacy: Up to **100lm/W**
 IP rating: **IP20**
 Beam angle: **120 degrees**
 Gimble angle: **60 degrees**
 Dimmable: **No**
 Power supply: **1500mA constant current, 36VDC**
 Average life: **40,000 hrs****
 Warranty: **3 years / 5 years for PLI** (lodge online)
 Face **245 x 160mm** | Height **106mm** | Cut-out **225 x 130mm**
 Weight: **2.2kg**
 Kit includes: **1 x LED shop light, driver with flex & plug**
 Construction: **Aluminium + tempered glass**

*Total power consumed including driver
 **Life span is calculated on expected average life of LED chips

The S40-MULTI and S60-MULTI multi output LED shoplights are the new additions to M-Elec's multi output range of LED lights. These new LED shoplights supersede the older S40 and S70 models and include new upgrades such as 3 integrated output colours and a high Lumen output.

The multi output technology enables the store to reduce stock with all-in-one fittings and the installer benefits with an option to choose between three white outputs (3000K | 4000K | 6000K) at the time of installation simply using the selector switch on the driver.

Additionally, these shoplights feature an extra wide trim for easy retrofits and are a great replacement for 70W/150W metal halide shoplights saving on energy cost.

Where to use different colour outputs in a commercial setting

- ▶ 6000K output is bright, crisp and ideal for a newsagent or supermarket
- ▶ 4000K output with a clean neutral light is great for a clothing store or chemist
- ▶ 3000K output with its mellow inviting tones is perfect to use in a coffee shop

SELECTABLE OUTPUT with switch on the driver

- ▶ 6000K - White
- ▶ 4000K - Neutral White
- ▶ 3000K - Warm White

S40 Multi

S60 Multi

MULTI OUTPUT LED SHOPLIGHT

- ▶▶ Reduce stock with 3 integrated output colours - “selector” switch
- ▶▶ Extra wide trim for easy retrofits
- ▶▶ High Lumen output
- ▶▶ Perfect replacement for metal halide shoplights
- ▶▶ Great for higher ceilings (S60-MULTI)
